**SUBJECT : Dissemination of OO-B Intelligence
Information Reports Within the
Department of State**

REFERENCE : Minutes of IAC Meeting, 17 February 1950

1. As a result of the discussion by the Intelligence Advisory Committee at the above referenced meeting, the dissemination of OO-B reports within the Department of State was restricted to the intelligence organizations under your jurisdiction and to the intelligence advisors in the geographic and other operational bureaus.

2. This agency has now received an informal request from your Department for concurrence with dissemination of the OO-B series to the operational bureaus.

3. This agency concurs in wider dissemination of OO-B reports within the Department of State in Washington on a "need to know" basis with the understanding that the information contained in OO-B reports will not be transmitted to Department of State missions abroad unless the concurrence of CIA is obtained in advance.
